WELCOME

Welcome to Surrey FaceBooth.

We create photo booth experiences that do more than just take pictures.

From classic booths and modern setups to branded activations, unique experiences, and added extras, we help turn events into something people remember.

Whether you are planning a wedding, party, corporate event, brand launch, or special celebration, our range is built to suit different spaces, styles, and guest lists.

ABOUT US

Who Are We?

02.

Our Vintage Photo Booth

Surrey FaceBooth provides premium photo booth hire for weddings, parties, corporate events, brand activations, and special occasions across Surrey, London, and the UK.

We are a family-run business built around one simple idea: great event entertainment should feel easy to book, look the part on the day, and give guests something they genuinely enjoy. For us, it is never just about taking photos. It is about creating an experience people remember.

“I started Surrey FaceBooth to offer something that felt professional, reliable, and genuinely exciting for clients and their guests. We are here to make events more memorable and to deliver an experience people actually talk about afterwards.”

Our range includes stylish photo booths, unique interactive experiences, and additional event extras to help bring your event together. Whether you are planning a wedding, birthday, school prom, Christmas party, awards night, or a branded corporate event, we offer setups to suit different venues, guest numbers, and event styles.

We take pride in providing well-presented equipment, reliable service, and a smooth process from enquiry to event day. We know how much detail goes into planning an event, so we aim to make the photo booth side feel clear, organised, and stress-free.

Over the years, we have worked across a wide mix of events, from private celebrations to large corporate functions. That experience helps us guide customers towards the right setup for their space, audience, and goals, whether that means instant prints, branded content, guest interaction, or a simple way to add more fun to the evening.

At Surrey FaceBooth, we focus on quality, service, and creating moments your guests will talk about long after the event has finished.

Our Culture

03.

At Surrey FaceBooth, we believe great event entertainment should feel easy to book, look the part on the day, and leave guests with memories they actually want to keep.

As a family-run business, we take a hands-on approach to every booking. We care about clear communication, smooth planning, and making sure each setup is ready to deliver from the moment guests arrive.

Whether it is a wedding, birthday, school prom, corporate event, or brand activation, we aim to provide an experience that feels polished, well-managed, and genuinely enjoyable for everyone involved.

CUSTOMER REVIEWS

Real Experiences

“

Johnny

Surrey FaceBooth delivered photo booths and Magic Mirrors across 7 Christmas events for us, and we are already looking at booking more for future events.

Simon

We hired Surrey FaceBooth across 2 days and 2 locations for our wedding, and they provided everything needed from setup and guidance to a great range of booths and extras that made the whole experience amazing.

Lee

Amazing service, great communication and great props included. Definitely made the event extra more special.

Amelia

Excellent customer service and communication, in advance of the party and on the day. The photo booth was a great addition to the party!

Charmaine

I just wanted to say a huge thank you for coming to and providing your services at our wedding
